

Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of **GOSBERTON PARISH COUNCIL – LI0146**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review.

- Information received from the smaller authority indicates they have been unable to obtain missing invoices and petty cash, hence box 4 and 6 prior year figures are incorrect. The prior year Box 4 incorrectly includes items which are not staff costs as defined in the Joint Panel on Accountability and Governance Practitioners’ Guide. Please note that Box 4 should comprise payments made in relation to the employment of staff including only gross salary, employers’ national insurance contributions, employers’ pension contributions, gratuities for employees or former employees and severance or terminations payments to employees. Subcontractor costs are not costs relating to the employment of staff.
- Box 7 (balances carried forward) in the prior year does not equal box 1 (balances brought forward) in the current year due to a restatement.
- Section 2, Box 7 for the current year does not agree to Boxes 1+2+3-(4+5+6). The figure in Box 3 for the current year should read £43,896.

Section 1, Assertions 1 and 3 have been incorrectly completed, there is no evidence of the authority regularly monitoring the budget and the notice of conclusion of audit had not been not published on the authority’s website by the dates specified in the Accounts and Audit Regulations 2015. This is consistent with the Internal Auditor’s response to Internal Control Objectives D and N.

Other matters not affecting our opinion which we draw to the attention of the authority:

None.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
