

BECOME A LOCAL ENERGY CHAMPION

South & East Lincolnshire Councils Partnership are working with National Energy Action to train individuals on energy awareness.

We're looking for members of the local community who would be interested in learning more about energy awareness and how to advise their fellow neighbours and residents.

Training will be hosted in person on Tuesday 24th February - Thursday 26th February 2026.

You must attend all 3 days to obtain the certification.

Please get in touch with our Home Energy Advice and Retrofit Team on 01507 613189 or Heart@e-lindsey.gov.uk for further information.

Limited spaces apply.
